September 19, 2026

**International Observe the Moon Night** is an annual worldwide public engagement program that encourages observation, appreciation, and understanding of our Moon and its connection to NASA planetary science and exploration. Everyone on Earth is invited to join the celebration by hosting or attending an event.

For more information about International Observe the Moon Night and how to get involved, visit **[moon.nasa.gov/observe](http://moon.nasa.gov/observe)**.
